3 Year Warranty

> [Visit product online](#)

Features

- Slimline Infrared Remote Control
- Single remote control for multiple ceiling fans (directional infra-red activation)
- Adjustable fan speed settings (low – medium – high) as well as 2, 4 and 6 hour time-delay (fan only)
- Dimmable light (low – medium – light)
- Single button to turn fan and light ON/OFF simultaneously

User Recommendations

- Compatible with all Hang-sure CF range of HPM ceiling sweep fans

Overview

Forget the hassle of getting out of bed to adjust your fan. Keep a remote control by your bedside to easily turn the fan on, off or adjust the speed, ensuring you stay comfortable longer. Ideal for those seeking convenience and uninterrupted comfort.
