Features

- Helps prevent build up of mould, mildew and fogging mirrors with greater resistance to high temperatures and quieter operation
- Axial flow fan moves large volumes of air
- Auto shutters prevent draughts, making your house more comfortable and energy efficient
- Easy plug-in connection

User Recommendations

- Ideal for bathroom, kitchens and laundries
- Compatible with time delay module EF100/150TD

Overview

Say goodbye to lingering odours and steam with the HPM Exhaust Fan! This powerful fan is designed to whisk away the steam and odours that can sometimes take hold in bathrooms, kitchens, and laundries, leaving your rooms feeling fresh and revitalized. Best of all, installation is easy and the fan is quiet while working its magic to ensure that mould, mildew, and fogged mirrors are a thing of the past.
