Features

- Coastal and tropical rated to withstand harsh weather conditions
- Hang sure mounting allows installation on slanted ceilings of a maximum of 20°
- Heavy duty sealed bearings for low noise and longevity
- Reversible summer and winter mode ensures energy savings and comfort throughout the year
- Supplied with a rotary 3 speed fan controller giving you the ability to control the fan speed

Overview

This HPM 3 Blade Ceiling Fan is crafted from marine grade 316L stainless steel, making it perfect for coastal and tropical environments. It's ideal for bedrooms, living rooms, dining rooms, kitchens and alfresco areas.

Quality You Can Trust

Installation

- Featuring a quick-fit blade system and fast connect wiring, that significantly cut down on assembly and installation time. Additionally, its reversible summer and winter mode ensures energy savings and comfort throughout the year.

Convenient Functionality

- Coastal and tropical rated, designed to withstand harsh weather conditions. Its plated finish ensures it is tough, durable, and easy to clean. All exposed components, including the housing, blades, and screws, are made from marine grade 316L stainless steel, providing exceptional resistance against corrosion from humidity and salinity. Making it an ideal choice for maintaining performance and appearance in challenging environments.
