Features

- Equipped with two 275W heat lamps that provide immediate warmth, eliminating the need for preheating
- Features an energy-saving R80 LED 7W centre light with 600 lumens, ensuring bright and efficient illumination
- Built-in extraction fan effectively removes steam and odours, maintaining a fresh and clean environment
- Includes an Excel Life 3 Gang individual switch control, allowing you to manage the heat, fan, and light independently
- Ducting kit included: 3m x 150(DIA)mm ducting, external grille, duct tape and cable ties

User Recommendations

- Ensure the unit is installed by a qualified professional to guarantee safety and optimal performance
- Suitable for small sized bathrooms

Overview

The HPM 3-in-1 2-Lamp Instant Heat Bathroom Heater with Light is an all-in-one solution for a warm, well-lit and steam-free bathroom. Combining a heat lamp, exhaust fan and light, it tackles cold, damp and poorly lit spaces, ensuring a comfortable and pleasant experience. Ideal for enhancing bathroom comfort and air quality.

Quality You Can Trust

Installation

- Its compact, ceiling-mounted design fits neatly into standard bathroom spaces, and the slide and click ducting connection simplifies the process.

Convenient Functionality

- This all-in-one unit not only heats and lights your bathroom but also ensures excellent ventilation. By whisking away steam and odours, it helps maintain a clean and healthy bathroom environment by effectively removing steam and odours.
