Features

- Economical and convenient for ducting through to the outside
- Includes Exterior Wall Grille, Ducting, Ties & Plugs
- 150mm Kit - Suits R621/8A & R621/9A Heavy Duty Wall Exhaust Fans
- Typical wall installations include double brick walls, brick veneer, cladded exterior walls ect.
- Installation must be carried out by a registered electrical contractor or similarly qualified person

Overview

Great for bathrooms and kitchens, this wall ducting kit is for use with 150mm exhaust fans. Ducting to the outside prevents damage caused by condensation, reduces odours, and improves air quality.
