Overview

The HPM Vivo™ HDMI & USB Socket is the perfect solution for TV and AV installations, providing a clean and organised look by connecting devices behind walls. This socket eliminates the clutter of exposed cables and enhances the aesthetics of your space. Its sleek design effortlessly complements any decor, and the interchangeable cover plate allows for customisation to match your style.

Quality You Can Trust

Installation

- Oval 120mm fixing points - making it easier to adjust when installing

Unique Characteristics

- Customise to suit your tastes and your interior with the coloured coverplate options (sold separately)
