User Recommendations

- Cut-out size: 96 x 40 mm

Overview

The HPM Electrsafe RCD Protected Power Points enhance safety in your home, office, and workspaces. They protect against electrocution by interrupting the current if a faulty appliance or live wire is touched. Featuring conveniently located blue trip and white test buttons, these power points are compatible with all standard mounting accessories.

Quality You Can Trust

Installation

- Residual Current Devices (RCDs) are designed to cut off power supply within 30 milliseconds when dangerous leakage currents occur
