HPM

HPM NSW 24/7 Slimline Double Pole Digital Timer
REF. D817SLIMDP

3 Year Warranty

> [Visit product online](#)

Features

- Slim design (fit 2 timers in one double powerpoint)
- Up to 16 different "ON" and "OFF" switches per day
- Settings - 24 Hour, 7 Day, Weekday, Weekend and more
- Settings - 24 Hour, 7 Day, Weekday, Weekend and more
- Rechargeable battery backup

User Recommendations

- Suitable for indoor use only
- Countdown mode: use with festive lights so they turn OFF after you go away
- Home-safe mode: randomly delays start and finish times of your programmed setting by 4-32 minutes. This helps provide added security to your home by creating an unpredictable pattern for lighting when you are away

Overview

This slimline digital timer functions as a 7-day timer, 24-hour timer or clock, offering flexibility for various needs. Its digital display ensures clear readability compared to traditional analog dials. What's more, it operates silently with no ticking sounds. Compatible with a range of appliances including festive lights, heaters, fans, towel rails, dryers and kitchen gadgets.

Quality You Can Trust

Convenient Functionality

- Silent operation, no ticking
